BENCH SHOW STANDARD

HEAD

The skull should be fairly long, slightly domed at occiput, with cranium broad and full.

EARS—Ears set on moderately low, long, reaching when drawn out nearly, if not quite, to the end of the nose; fine in texture, fairly broad—with almost entire absence of erectile power—setting close to the head, with the forward edge slightly inturning to the cheek—rounded at tip.

EYES—Eyes large, set well apart—soft and houndlike—expression gentle and pleading; of a brown or hazel color.

MUZZLE—Muzzle of medium length—straight and square cut—the stop moderately defined.

JAWS—Level. Lips free from flews; nostrils large and open.

DEFECTS—A very flat skull, narrow across the top; excess of dome; eyes small, sharp and terrier like, or prominent and protruding; muzzle long, snipey or cut away decidedly below the eyes, or very short. Packs of Beagles

SCORE OF POINTS FOR JUDGING.

Hounds.—General levelness of pack	40%	
Individual merit of hounds	30%	
		70%
Manners		20%
Appointments		10%
Total		100%

Levelness of Pack.

The first thing in a pack to be considered is that they present a unified appearance. The hounds must be as near of the same height, weight, conformation and color as possible.

Individual merit of the hounds, is the individual bench show quality of the hounds. A very level and sporty pack can be gotten together and not a single hound be a good beagle. This is to be avoided.

Manners.

The hounds must all work gaily and cheerfully, with flags up—obeying all commands cheerfully. They should be broken to heel up, **kennel up,** follow promptly and stand.

Cringing, sulking, lying down to be **avoided.** Also a pack must not work as though in terror of Master and whips.

In beagle packs it is recommended that the whip be used as little as possible.

Appointments.

Master and whips should be dressed alike, the master to carry horn—the whips and master to carry light thong crops.

Recommendations for Livery.

The coat should be cut so as to allow free and easy action of the legs and arms, be of a green or brown shade, preferably of green broadcloath, corduroy, khaki, or some durable material.

Either long trousers or breeches can be worn. If long trousers they must be of light color, preferably light corduroy or moleskin—to resist briers and thorns. If breeches, they must be of some durable material. Leggins, stockings or puttees can be worn with them.

Heavy hunting shoes are recommended. Gloves not necessary. Hat or cap best suited to go with livery worn.

RUNNING RULES

OF THE

NATIONAL BEAGLE CLUB OF AMERICA

AMENDED 1915

RUNNING RULES
OF THE
NATIONAL BEAGLE CLUB
OF AMERICA

MANAGEMENT.

RULE 1.—The Field Trials shall be managed by the Field Trial Committee.

The Committee shall appoint a Marshal to carry out their orders.

FIELD TRIAL COMMITTEE.

RULE 2.—The Field Trial Committee shall have the power to interpret the running rules of the club and to decide all matters not provided for in them; to refuse any entry they think proper to exclude, and to take final action on any written objection to an entry; to suspend or debar from handling or entering hounds in any field trials of this Club any person who uses abusive language to the Judges or Officers of the Club; or who has been found to the satisfaction of the Field Trial Committee, to have conducted himself improperly in any manner in connection with dogs, dog shows or dog trials, or who is a defaulter for either stakes or forfeits in connection with either thereof, or for money due under an arrangement for division of winnings, or for penalties for infraction of rules, or for any payment required by a decision of the Club.

ENTRIES.

RULE 3. SEC. 1.—For all stakes, the names, pedigrees (so far as known), ages, colors and distinguishing marks of the hounds shall be detailed in writing to the Chairman of the Field Trial Committee at the time of making the entry. Any hound that shall be proven not to correspond with the entry, shall be disqualified, and all winnings and entry money shall be forfeited to the Club.

SEC. 2.—All hounds entered in any classes or stakes must be the bona-fide property of the nominator at the time of making the entry.

SEC. 3.—Full entry fee must accompany every nomination. If withdrawn or disqualified 40% of entry fee will be retained by the Club as a forfeit.

SEC. 4.—Any objection to any entry must be made in writing and must be addressed to the Field Trial Committee.

SEC. 5.—Entries shall be made to the Field Trial Committee on printed forms supplied by the Secretary.

DRAWING AND ORDER OF RUNNING.

RULE 4. SEC. 1.—Hounds shall be drawn by lot. Each hound shall run in the first series as a brace with the hound drawn next in order, but if two hounds owned or handled by the same person should come together in the first or subsequent series, the second hound so owned shall change place with the first hound not so owned or handled. This change shall be made in the order of running if possible. If not possible, then in the reverse order of running. The running together of two such hounds may be permitted when a separation is impossible, but in no other case.

SEC. 2.—In classes for Packs, the Packs shall be drawn by lot, and shall be run separately.

SEC. 3.—The bye hound in any series shall run with a hound selected by the judges or alone as they may direct.

SEC. 4.—As soon as the drawing is completed, the Secretary of the Club shall post in a prominent place the order of running in the first series, together with the time and place of starting.

RULE 5.—After the running of the first series is finished, the judges shall announce which hounds they wish to see run again and order of running them. Discretion is given the judges to run the hounds as often and in what order they think best, until they are satisfied which are the best.

INSTRUCTIONS TO JUDGES.

RULE 6.—All hounds not officially measured of record shall be measured before the drawing takes place and if necessary be transferred to the proper class or disqualified.

In the absence of the Measuring Committee the judges shall make the measurements and their decision shall be final for the purposes of Field Trials of that year.

RULE 7.—The judges shall appoint a spokesman from their number, and all orders or information upon any point concerning the heat shall be given by him in a clear and impartial manner so that each handler may have full benefit thereof.

RULE 8.—Should there arise at any time during the running of a heat, questions bearing on the actual running of the hounds, and not provided for in these rules, the judges are instructed to use their discretion, and so decide the matter as to give to each hound equal opportunities.

RULE 9.—Each heat shall be conducted in the manner best calculated to give the competitors an opportunity to display the qualities under judgment.

RULE 10.—The judges shall give all hounds in the first series a thorough trial on game, allowing as far as possible at least 30 minutes for the purpose, but if a hound persistently disobeys his handler or is lost, the judges may at their discretion, order him up whether he has been seen on game or not.

RULE 11. SEC. 1.—Trailing game other than hare, if the judges deem the same excusable, shall not be considered a demerit.

SEC. 2.—The judges shall give the hound ample opportunity to discover whether he is on a true trail.

SEC. 3.—The number of times a hound finds shall not necessarily give him the preference, but the judges shall consider the quality of the performance rather than the frequency of the occurrence.

RULE 12.—In order to prevent handlers rushing or unduly exciting the hounds, discretion is given the judges to try each hound of a brace separately on game, the competing hound being kept under restraint.

RULE 13.—If competition is close the judges are requested to give greater credit to the hound that is obedient to the commands of his handler. A hound will be expected to maintain an efficient range throughout a heat and to show hunting sense in his work. Hunting sense is shown by the desire to hunt for game, the selection of likely places to hunt in, the method of hunting the places, the industry in staying out at work, and the skill in handling and trailing the game after it is found.

RULE 14.—The judges are instructed not to place undue credit on speed, it being the desire of the Club that accuracy in trailing, voice, endurance, starting abilities, style and obedience be the principal points of merit, but nothing in the foregoing shall excuse a hound for pottering, or for failure to leave his handler in hunting his ground. Every hound will be expected to go on when ordered, to cover his ground thoroughly, to obey the commands of his handler, and to show a desire and ability to find game as well as to drive it.

RULE 15.—In the classes for packs, team work, not individual work, shall count. The hounds will be expected to hunt with-

in easy distance of one another, to hark in quickly, and to drive at an even speed well packed.

RULE 16.—The judges shall call to order a handler for making any unnecessary noise, or for any disorderly conduct calculated to interfere in any way with an opponent's hound. In such cases an appeal should be made to the judges, but should the handler of the hound interfered with not ask for protection, it shall be the duty of the judges to call the offending party to order, and see that this rule is at all times strictly enforced.

RULE 17.—The judges may announce the winners any time after the second series; provided, the first and second prize winners have run together.

RULE 18.—The judges shall not divide the first prize.

RULE 19.—The judges shall withhold any or all prizes in any class if the hounds are found deficient in merit.

A reserve shall be awarded in each class if the judges consider a dog or bitch worthy of same.

INSTRUCTIONS TO HANDLERS.

RULE 20. SEC. 1.—Handlers while their hounds are down shall go together and keep within sight of the judges and each other when possible.

SEC. 2.—Each hound shall be required to hunt throughout a heat, unless ordered up by the judges. When so ordered up the hound shall be kept under restraint.

RULE 21.—A handler may speak or whistle to his dog or work him in any way he may deem proper, if not contrary to the rules of this Club, but he shall not make any unnecessary noise or interfere with an opponent's hound in any way.

RULE 22.—If any handler or owner annoys the judges after having been ordered to desist, the judges may order his dog up and out of the stake, or may impose a fine not exceeding ten (10) Dollars.

RULE 23.—Owners and handlers are allowed the privilege of asking the judges for information, or for an explanation that has a direct bearing upon any point at issue.

RULE 24.—Handlers must keep themselves informed of the order of running and must be ready within hailing distance when their hounds are called. Any hound absent more than twenty (20) minutes when called, may be debarred at the discretion of the judges.

GENERAL RULES.

RULE 25. SEC. 1.—Hounds afflicted with any contagious disease shall not be permitted on the grounds.

SEC. 2.—Bitches in season shall not be permitted to compete except in classes open to bitches only.

RULE 26.—Castrated dogs and spayed bitches will be debarred from running in these trials, and any dog or bitch proven to have been so run knowingly shall forfeit to the Club all prizes won and the owner or handler thereof shall be disqualified from further competition in any trial held under the auspices of the National Beagle Club of America.

RULE 27. SEC. 1.—No persons shall be allowed to accompany the judges except guides, the marshal and the handlers of the hounds. The judges may, however, allow others to accompany them as they see fit.

SEC. 2.—Persons authorized to accompany the judges under these rules, will not be allowed to converse with the judges on any subject while the hounds are under judgment.

SEC. 3.—The spectators will not be allowed nearer the judges than fifty (50) yards to the rear. The marshal and judges shall strictly enforce this rule.

RULE 28.—No hound can be withdrawn during the running of a heat except with the consent of the judges. Should a hound be withdrawn without such consent the owner or handler may be barred from further trials and all prizes won by such owner or handler in the stake may be forfeited to the Club. If any hound be withdrawn with the consent of the judges from a stake on the field, or at any time during the holding of the trial, its owner or deputy having authority shall notify, in writing, the Secretary or one of the Field Trial Committee. If the hound belongs to either or any of those officials, the notice must be handed to one of the others.

RULE 29.—No person shall make any remarks, or give any information whatever calculated to affect the action of the handlers or result of the heat. Any person so offending shall be expelled from the grounds, and points of merits shall not be allowed any hound whose handler acts upon information imparted by such person, or uses any unfair means whatever. A protest on this point must be made to the judges before the close of the heat, and their decision shall be final.

RULE 30. SEC. 1.—An owner, his handler, or his deputy may hunt a hound, but it must be one or the other; and when hounds are down an owner must not interfere with his hound if he has deputed another person to handle and hunt him.

RULE 30. SEC. 2.—In the pack classes the huntsman may be assisted by not more than two whippers-in.

RULE 31.—All protests, when practicable, except as hereinbefore provided, must be made to the Secretary of the Club, or in case of his absence, to one of the Field Trial Committee, at or before midnight of the date of running the final heat.

TO OWNERS.

The Club has these principles which it wishes to express, namely:

That each and every trial is simply a trial in the true sense of the word, and the intention is to provide the fairest kind of competition. The Club desires hounds to be shown to the best advantage, and assures the owners that each hound will be given a thorough test both as to finding and hunting qualities. The Club wishes to have the best hounds placed at the front irrespective of the luck which is supposed to attend competitions of this nature.

RUNNING RULES

OF THE

NATIONAL BEAGLE CLUB

OF AMERICA

AMENDED 1915

RUNNING RULES
OF THE
NATIONAL BEAGLE CLUB
OF AMERICA

Management.

Rule 1.—The Field Trials shall be managed by the Field Trial Committee.

The Committee shall appoint a Marshal to carry out their orders.

Field Trial Committee.

Rule 2.—The Field Trial Committee shall have the power to interpret the running rules of the club and to decide all matters not provided for in them; to refuse any entry they think proper to exclude, and to take final action on any written objection to an entry; to suspend or debar from handling or entering hounds in any field trials of this Club any person who uses abusive language to the Judges or Officers of the Club; or who has been found to the satisfaction of the Field Trial Committee, to have conducted himself improperly in any manner in connection with dogs, dog shows or dog trials, or who is a defaulter for either stakes or forfeits in connection with either thereof, or for money due under an arrangement for division of winnings, or for penalties for infraction of rules, or for any payment required by a decision of the Club.

Entries.

Rule 3. Sec. 1.—For all stakes, the names, pedigrees (so far as known), ages, colors and distinguishing marks of the hounds shall be detailed in writing to the Chairman of the Field Trial Committee at the time of making the entry. Any hound that shall be proven not to correspond with the entry, shall be disqualified, and all winnings and entry money shall be forfeited to the Club.

Sec. 2.—All hounds entered in any classes or stakes must be the bona-fide property of the nominator at the time of making the entry.

Sec. 3.—Full entry fee must accompany every nomination. If withdrawn or disqualified 40% of entry fee will be retained by the Club as a forfeit.

Sec. 4.—Any objection to any entry must be made in writing and must be addressed to the Field Trial Committee.

Sec. 5.—Entries shall be made to the Field Trial Committee on printed forms supplied by the Secretary.

Drawing and Order of Running.

Rule 4. Sec. 1.—Hounds shall be drawn by lot. Each hound shall run in the first series as a brace with the hound drawn next in order, but if two hounds owned or handled by the same person should come together in the first or subsequent series, the second hound so owned shall change place with the first hound not so owned or handled. This change shall be made in the order of running if possible. If not possible, then in the reverse order of running. The running together of two such hounds may be permitted when a separation is impossible, but in no other case.

Sec. 2.—In classes for Packs, the Packs shall be drawn by lot, and shall be run separately.

Sec. 3.—The bye hound in any series shall run with a hound selected by the judges or alone as they may direct.

Sec. 4.—As soon as the drawing is completed, the Secretary of the Club shall post in a prominent place the order of running in the first series, together with the time and place of starting.

Rule 5.—After the running of the first series is finished, the judges shall announce which hounds they wish to see run again and order of running them. Discretion is given the judges to run the hounds as often and in what order they think best, until they are satisfied which are the best.

Instructions to Judges.

Rule 6.—All hounds not officially measured of record shall be measured before the drawing takes place and if necessary be transferred to the proper class or disqualified.

In the absence of the Measuring Committee the judges shall make the measurements and their decision shall be final for the purposes of Field Trials of that year.

Rule 7.—The judges shall appoint a spokesman from their number, and all orders or information upon any point concerning the heat shall be given by him in a clear and impartial manner so that each handler may have full benefit thereof.

Rule 8.—Should there arise at any time during the running of a heat, questions bearing on the actual running of the hounds, and not provided for in these rules, the judges are instructed to use their discretion, and so decide the matter as to give to each hound equal opportunities.

Rule 9.—Each heat shall be conducted in the manner best calculated to give the competitors an opportunity to display the qualities under judgment.

Rule 10.—The judges shall give all hounds in the first series a thorough trial on game, allowing as far as possible at least 30 minutes for the purpose, but if a hound persistently disobeys his handler or is lost, the judges may at their discretion, order him up whether he has been seen on game or not.

Rule 11. Sec. 1.—Trailing game other than hare, if the judges deem the same excusable, shall not be considered a demerit.

Sec. 2.—The judges shall give the hound ample opportunity to discover whether he is on a true trail.

Sec. 3.—The number of times a hound finds shall not necessarily give him the preference, but the judges shall consider the quality of the performance rather than the frequency of the occurrence.

Rule 12.—In order to prevent handlers rushing or unduly exciting the hounds, discretion is given the judges to try each hound of a brace separately on game, the competing hound being kept under restraint.

Rule 13.—If competition is close the judges are requested to give greater credit to the hound that is obedient to the commands of his handler. A hound will be expected to maintain an efficient range throughout a heat and to show hunting sense in his work. Hunting sense is shown by the desire to hunt for game, the selection of likely places to hunt in, the method of hunting the places, the industry in staying out at work, and the skill in handling and trailing the game after it is found.

Rule 14.—The judges are instructed not to place undue credit on speed, it being the desire of the Club that accuracy in trailing, voice, endurance, starting abilities, style and obedience be the principal points of merit, but nothing in the foregoing shall excuse a hound for pottering, or for failure to leave his handler in hunting his ground. Every hound will be expected to go on when ordered, to cover his ground thoroughly, to obey the commands of his handler, and to show a desire and ability to find game as well as to drive it.

Rule 15.—In the classes for packs, team work, not individual work, shall count. The hounds will be expected to hunt with-

in easy distance of one another, to hark in quickly, and to drive at an even speed well packed.

RULE 16.—The judges shall call to order a handler for making any unnecessary noise, or for any disorderly conduct calculated to interfere in any way with an opponent's hound. In such cases an appeal should be made to the judges, but should the handler of the hound interfered with not ask for protection, it shall be the duty of the judges to call the offending party to order, and see that this rule is at all times strictly enforced.

RULE 17.—The judges may announce the winners any time after the second series; provided, the first and second prize winners have run together.

RULE 18.—The judges shall not divide the first prize.

RULE 19.—The judges shall withhold any or all prizes in any class if the hounds are found deficient in merit.

A reserve shall be awarded in each class if the judges consider a dog or bitch worthy of same.

INSTRUCTIONS TO HANDLERS.

RULE 20. SEC. 1.—Handlers while their hounds are down shall go together and keep within sight of the judges and each other when possible.

SEC. 2.—Each hound shall be required to hunt throughout a heat, unless ordered up by the judges. When so ordered up the hound shall be kept under restraint.

RULE 21.—A handler may speak or whistle to his dog or work him in any way he may deem proper, if not contrary to the rules of this Club, but he shall not make any unnecessary noise or interfere with an opponent's hound in any way.

RULE 22.—If any handler or owner annoys the judges after having been ordered to desist, the judges may order his dog up and out of the stake, or may impose a fine not exceeding ten (10) Dollars.

RULE 23.—Owners and handlers are allowed the privilege of asking the judges for information, or for an explanation that has a direct bearing upon any point at issue.

RULE 24.—Handlers must keep themselves informed of the order of running and must be ready within hailing distance when their hounds are called. Any hound absent more than twenty (20) minutes when called, may be debarred at the discretion of the judges.

GENERAL RULES.

RULE 25. SEC. 1.—Hounds afflicted with any contagious disease shall not be permitted on the grounds.

SEC. 2.—Bitches in season shall not be permitted to compete except in classes open to bitches only.

RULE 26.—Castrated dogs and spayed bitches will be debarred from running in these trials, and any dog or bitch proven to have been so run knowingly shall forfeit to the Club all prizes won and the owner or handler thereof shall be disqualified from further competition in any trial held under the auspices of the National Beagle Club of America.

RULE 27. SEC. 1.—No persons shall be allowed to accompany the judges except guides, the marshal and the handlers of the hounds. The judges may, however, allow others to accompany them as they see fit.

SEC. 2.—Persons authorized to accompany the judges under these rules, will not be allowed to converse with the judges on any subject while the hounds are under judgment.

SEC. 3.—The spectators will not be allowed nearer the judges than fifty (50) yards to the rear. The marshal and judges shall strictly enforce this rule.

RULE 28.—No hound can be withdrawn during the running of a heat except with the consent of the judges. Should a hound be withdrawn without such consent the owner or handler may be barred from further trials and all prizes won by such owner or handler in the stake may be forfeited to the Club. If any hound be withdrawn with the consent of the judges from a stake on the field, or at any time during the holding of the trial, its owner or deputy having authority shall notify, in writing, the Secretary or one of the Field Trial Committee. If the hound belongs to either or any of those officials, the notice must be handed to one of the others.

RULE 29.—No person shall make any remarks, or give any information whatever calculated to affect the action of the handlers or result of the heat. Any person so offending shall be expelled from the grounds, and points of merits shall not be allowed any hound whose handler acts upon information imparted by such person, or uses any unfair means whatever. A protest on this point must be made to the judges before the close of the heat, and their decision shall be final.

RULE 30. SEC. 1.—An owner, his handler, or his deputy may hunt a hound, but it must be one or the other; and when hounds are down an owner must not interfere with his hound if he has deputed another person to handle and hunt him.

RULE 30. SEC. 2.—In the pack classes the huntsman may be assisted by not more than two whippers-in.

RULE 31.—All protests, when practicable, except as hereinbefore provided, must be made to the Secretary of the Club, or in case of his absence, to one of the Field Trial Committee, at or before midnight of the date of running the final heat.

TO OWNERS.

The Club has these principles which it wishes to express, namely:

That each and every trial is simply a trial in the true sense of the word, and the intention is to provide the fairest kind of competition. The Club desires hounds to be shown to the best advantage, and assures the owners that each hound will be given a thorough test both as to finding and hunting qualities. The Club wishes to have the best hounds placed at the front irrespective of the luck which is supposed to attend competitions of this nature.
